Required Volunteer Clearances

First one is the PA child abuse history...this one requires you to create a login

1. Go to <https://www.compass.state.pa.us/cwis/public/home>
2. Select Create Individual Account
3. Click Next and enter all the necessary information and follow through the prompts on the following screens

Once submitted, wait for an email back saying it is complete (takes a couple days). You will need to log back into the website to access the results to print. This one is free to volunteers

The second one is the easiest, and quickest. This one is also free.

1. Go to <https://epatch.state.pa.us/Home.jsp>
2. Click New Record Check
3. Read, check the box, then click Accept
4. Enter all the necessary information and follow through the prompts
5. Print out your results

The last one is the FBI background check and it is the only one that requires you to go somewhere - the easiest way to do this one is to fill out the form online and make an appointment. They highly suggest you make an appointment because it goes so much faster!

1. Go to <https://uenroll.identogo.com/>
2. Enter the service code: 1KG6XN
3. Select Schedule or Manage Appointment
4. Enter all the necessary information and follow through the prompts

At the end, it will show you a list of locations and their appointment availability. The other option is to just look up the closest location for you and just do a walk in. This one will cost about \$25.
